- Tournament Operation Sub-committee has not yet issued the reminders to those failing to show up in the second session of Ladder Pairs Qualifying (after playing the first session) and warning letter to the mis-behaved player in a pairs event. The warning letter, with name withheld, will be published in the July edition of Bridgette. Besides, a letter explaining the proper procedures to be observed for the player who used foul language in the recent IMP Pairs event has not yet been issued. Furthermore, warning letters have to be sent to two players whose attitude towards the game of bridge was grossly improper, as reflected by their behaviour in the recent Ladder Pairs A event. CY
- The "Duplimate" machine ordered from the Swedish manufacturer has been sent out by air parcel. AC
- CC has not yet collected the entry fee from the Ladies Team that will take part in the World Team Olympiad in Greece. Deadline is 15/7/1996. CC
- SS has neither reported the facts on the absence of director in a Friday duplicate pairs event in Little Flower Club, nor made any proposal for fine tuning the current practice in scheduling directors for regular tournaments. SS

ACTION

- CC has not clarified with Kenny Lau the status of the telephone line 26413666 which was registered in the name of the Association. CC
- SS will submit an article to the July edition of Bridgette re-emphasizing the importance of properly filled-up convention cards. SS

3. Progress on Intercity 1996

The major sponsor previously contacted by Lawrence Lau has declined to support the Intercity Championships this year. No positive response has been obtained from other sponsors contacted.

Invitation letters have been given to those teams participating in Macau's PABF Bridge Congress. So far, 2 teams from Japan have enrolled for the event.

Venue booking has been confirmed with Kowloon Regal Hotel.

Progress on PABF Championship 1997

Since Taipei withdrew her bid, PABF Championship 1998 will be held in Kobe, Japan. However, Taipei has shown interest in hosting PABF Congress 2000.

PABF Championship 1997 will consist of 2 championships :-

- (i) PABF Championship - the winner after the double round robin
- (ii) Zone 6 Championship - results against Australia and New Zealand will be counted when deciding which teams will qualify for the knock-out stage. 64 boards will be played in the last knock-out match which decides the zonal champion.

4. Questionnaire to Members

JC will revise the questionnaire and DZ will draft a statement prefixed to the questionnaire to provide some pertinent information to members. JC
DZ

5. Proposal to AIA on Sponsorship for Organising Student Bridge Activities

IL's proposal was tabled for discussion. A formal proposal will be sent to Mr. Edmund Tse later. IL opined that if the Education Department would endorse this programme, schools are willing to provide venue free of charge. To honour those student winners, prize presentation can be made during Intercity's Victory Dinner or Swiss Team Session, or even at AIA's office. SW/IL

6. Tournament Operation - Scheduling of Directors

The scheduling for directors' apprenticeship up to end of August will be finalised before 14/6/1996 and be circulated to all council members later. AC

7. Incident at III PABF Congress, Macau

The letter from Simon Hui, the Chief Tournament Director of III PABF Congress, complaining the behaviour of Nelson Hsi, a member of the Association, during

ACTION

the Congress and the affidavit of both Ashley Lung, the Acting Non-playing Captain of the Hong Kong Team Nelson Hsi was playing, and Anthonng Ching who was at that very place near the end of the alleged incident. were tabled for discussion.

The Council resolved to rectify DZ's appointing Ricky Chu to conduct an independent investigation on this case. As Simon Hui was currently on holidays in Europe, Ricky Chu could not contact him before finalising the report tabled for discussion in the meeting.

The following was resolved :-

- (a) DZ will call up the Chairman of the Macau Contract Bridge Association to clarify whether the complaint made by Simon Hui was indeed endorsed by their Association or that was simply made in his personal capacity. If possible, a written confirmation should be obtained from Macau Contract Bridge Association. DZ
- (b) As facts from both sides could not be agreed, DZ will request Ricky Chu to submit another report after Simon Hui comes back and is able to give his side of the story. DZ
- (c) The course of actions the Council will take and findings or conclusion, if any, will be published in Bridgette. CY

8. A.O.B.

- a. The Guangzhou/HK/Macau Interport will be held in Macau on 17/8/1996 and 18/8/1996. The winner and first runner-up of Open Team of 4 will represent Hong Kong in this event. Announcement will be made during regular tournaments and published in newspapers by editors of bridge columns. AC

- d. DZ will follow up with SS on re-scheduling the dates of our tournaments during Intercity and World Team Olympiad. DZ/SS
- e. SW will assist Stephen Kwok in organising the Inter-Hong Invitation Championship held concurrent to Intercity Bridge Championships 1996. DZ/SS

ACTION

1. The minutes of the last meeting was read and adopted.
2. Matters Arising from Minutes of the Last Meeting
 - Replenishment of stationery except pick-up slips has been ordered. SS will advise whether we will use computer scoring in future tournaments, thus needing to print a lot of pick-up slips. SS
 - The senior management of Regal Kowloon Hotel has declined to put up an advertisement in Inter-city's souvenir programme. SS will negotiate with them again for free meal coupons. SS
 - Tournament Operation Sub-committee has not yet issued the reminders to those failing to show up in the second session of Ladder Pairs Qualifying (after playing the first session) and warning letter to the mis-behaved player in a pairs event. The warning letter, with name withheld, will be published in Bridgette later. Besides, a letter explaining the proper procedures to be observed for the player who used foul language in the recent IMP Pairs event has not yet been issued. Furthermore, warning letters have to be sent to two players whose attitude towards the game of bridge was grossly improper, as reflected by their behaviour in the recent Ladder Pairs A event. SS
 - The "Duplimate" machine ordered from the Swedish manufacturer has been received in good order and a demonstration was held during the meeting.
 - CC has not yet collected the entry fee from the Ladies Team that will take part in the World Team Olympiad in Greece. CC
 - SS reported the facts why there was no director in a Friday duplicate pairs event in Little Flower Club. DZ will send letters to Amy Yeung, the complainant, and to the editor of the Bridge column in SCMP explaining the incident. These letters will be published in Bridgette later. As measures to improve directors' scheduling, directors will be served with DZ

ACTION

written notices detailing the dates of tournaments they are responsible. If they are not available on some of those dates, they must inform SS promptly. Besides, DZ's secretary will remind those directors who are responsible for tournaments in the coming two weeks.

-- Kenny Lau advised the telephone line 26413666 registered in name of the Association is still in use and enquiries are answered by his staff as far as possible.

-- SS has not yet drafted an article for publication in Bridgette re-emphasizing the importance of properly filled-up convention cards.

SS

-- The Guangzhou/HK/Macau Interport will now be held in Macau on 31/8/1996 and 1/9/1996 instead of 17/8/1996 and 18/8/1996. SS will notify the winners of Open Team of 4, i.e. Samme Lee's Team, the change in dates.

SS

-- SW circulated a list of directors recognised by Hong Kong Bridge Society (now defunct). It was resolved that if these persons are interested in becoming qualified directors of the Association, they must first be member of the Association. Those "qualified" HKBS directors have to practise in at least 6 sessions of the Association's tournaments before being recognised as qualified directors of the Association. They are entitled to full director's fee for those practicing sessions. Those "junior directors" must pass the normal examination on directors' skills and go through the apprenticeship programme before getting the qualification. The scheduling of apprentice directors or qualified directors of the defunct Hong Kong Bridge Society from September to December will be finalised before 15/8/1996.

AC

3. Progress on Intercity 1996

Morrison Express will continue to sponsor the Ladies' Team event while T.S. Lo will sponsor the Swiss Team event. So far, around HK\$100,000 advertisement and HK\$80,000 sponsorship have been solicited.

19 overseas teams have sent their entries, out of which 10 are from Japan (1 Ladies), 4 each from China and Chinese Taipei, and 1 team was formed up by one Japanese couple and 2 Singaporean.

All equipment and supplies are ready except photocopier. 396 sets of bar-coded "Marlboro Cup" playing cards with boards have been donated by the Chinese Bridge Association.

Souvenirs are all ready. Philip Morris China will sponsor 400 souvenir bags, 800 sets of playing cards, 450 pieces of "Polo" shirts and some other items.

Progress on PABF Championship 1997

It was resolved that this event will be held at Regal Riverside Hotel in Shatin instead of Kowloon Regal Hotel because the former offers more spacious function rooms at costs about 10% less than the latter.

4. Revised Tournament Schedule from 8/1996 to 12/1996

SS will revise the tournament schedule from August to December before 25/7/1996. It was resolved that the dates of year round tournaments must not be fixed at

SS

ACTION

time during which Pacific Asia Bridge Championship/Congress and World Team Olympiad or Bermuda Bowl/Venice Cup are held. It was further resolved that Life/Non-life Pairs will be a 2-session event.

5. Questionnaire to Members

AL, instead of JC, will revise the questionnaire and DZ will then draft a statement prefixed to the questionnaire to provide some pertinent information to members.

AL/DZ

6. Proposal to AIA on Sponsorship for Organising Student Bridge Activities

IL has not yet drafted the formal proposal to AIA. SW will follow up on this.

SW/IL

7. Incident at III PABF Congress, Macau

DZ has called up the Chairman of the Macau Contract Bridge Association and confirmed that the complaint made by Simon Hui was endorsed by MCBA.

Ricky Chu has not successfully contacted Simon Hui and thus he is not able to submit any further report to the Council.

DZ

8. Open League - Unannounced Absence of Tom Wong's Team

SS will demand an explanation and apology from the team captain, Tom Wong. It was resolved that :-

- refund will be made to those teams forced to walk over Tom Wong's Team in the second round robin
- deposit placed by Tom Wong's Team (HK\$480) will be forfeited
- the result of the only match in the second round robin played by Tom Wong's Team will be cancelled
- Tom Wong's Team is not allowed to play in the last session scheduled on 3/8/1996.

SS

Disciplinary action taken against Tom Wong's Team (which will be decided later) will be announced in Bridgette.

9. Ladderette Team 4 & 5 - Letter from Chris Chung

An appeal properly lodged by Ashley Lung's Team on a certain board played in Ladderette Team 4 was held up by SS, the responsible director of the tournament, for 2 weeks before submitting to DZ, the Chairman of the Appeals Committee. SS, being a member of Ashley Lung's Team, did not change the junior director's ruling because of conflict of interest. DZ suggested SS to ask another independent qualified director to give a ruling if SS thought he had conflict of interest in this matter. The ruling made by the junior director was subsequently overruled by the independent qualified director, AC. The team captains of both teams concerned were duly notified by SS later. However, the results of Ladderette Team 4 were not officially amended to reflect the change in score.

During the discussion on this issue, the following were noted :-

- Playing directors should still give his ruling despite conflict of interest
- Laws of Duplicate Contract Bridge should prevail over the Association's Handbook in case of inconsistencies found between the two publications
- Supervising director can overrule junior director's decision before the tournament ends

In order not to rush for conclusion and not to drag on the discussion in the meeting, an ad-hoc committee will be set up and chaired by AL to review this incident and to give recommendation before the Council makes a decision on this issue in the next meeting.

AL

10. A.O.B.

a. SS will issue warning letter to a player who walked out in the middle of a recent Paul Jones Pairs event. It was resolved that this player will be banned from playing in any tournaments of the Association and from representing Hong Kong, both for a period of 3 months (from date of next offence) but with a probationary period of 2 years (from date of the warning letter). This warning letter will be published in Bridgette later.

SS

b. During the Inter-city Trial, a player was found to have wrongly claimed hand and made remark before the bidding ended. SS will get a report from C.C. Wong, the responsible director of the tournament, and will issue warning letter to this player if that was the case. This warning letter, with name withheld, will be published in Bridgette later.

SS

c. It was resolved that a 386 computer will be purchased at HK\$500 and will be linked up with the duplicating machine.

SW

d. It was resolved that 60 sets of playing cards will be sold to Samuel Wan's son for a total amount of HK\$1,000.

DZ/SS

11. Date of Next Meeting

The next council meeting will be held in the conference room of Room 1902, Tower 6, China Hong Kong City on 15/8/1996.

There being no other business, the meeting was adjourned at 9:45 p.m.

第32屆百慕大杯及第10屆威尼斯杯簡介(三) BERMUDA BOWL & VENICE CUPS (III)

東光

女子組決賽是在美國隊和德國隊之間舉行,結果德國隊勝美國隊(312:248)獲冠軍.銅牌之爭法國隊勝中國隊(66:54)獲銅牌.一些專家評論認為:中國隊列第四是客觀地反映中國女牌手目前的整體實力和技術水平.公開組決賽在美國隊和加拿隊之間進行,結果美國隊勝加拿大隊(338:295)獲冠軍.加拿大第二.法國隊勝瑞典(151:91)獲第三.瑞典隊第四.按照百慕大杯比賽的規定,中國男隊名列第五.這是中國男隊在世界錦標賽中迄今為止所取得的最好成績.綜合各種評論,中國男隊得第五是超水平發揮的結果.他們不足之處是心理素質未夠穩定;不能抓住稍縱即逝的機會;不適應大量副數的比賽強度等等.大家希望中國隊能總結經驗,在將來的比賽中取得更佳成績.

The Ladies final was between the USA and Germany, result: Germany:312 USA:248. In the battle for the bronze medals, France defeated China 66:54. Many of the critics around the world considered China's 4th position had reflected fairly on the team's ability and technical skills.

In the Open final between USA and Canada, the gold went to the Americans yet again 338:295, The French men also clinched a third place defeating the Swedish 151:91. According to the regulations of the Bermuda Bowl, China came 5th, their best achievement so far in major world championships. Here the critics considered they had played above par, their weakness was they were psychologically unsteady, unable to grasp chances that were there but would soon vanish and not so adaptable to tournaments involving large quantity of boards. Let us hope that China could make good use of this experience and fare even better in future competitions.

下面介紹公開組及女子組決賽中輸贏較大的一些牌:

女子組均由南打4D.未加倍.

In the ladies, both Souths declared in 4D, not doubled.

在4S定約的一桌,南首攻♣Q.莊家飛♠,打兩輪將牌.出♥J飛失給北.北出♦,明手將吃.出♥回手,再打一輪將牌,然後出♣到明手用♥AQ墊去♦,超一完成4S.這副牌東西是有滿貫的,但無人能叫到,且三桌連局都未上,可見高手對某些牌也很難處理.防守4S時,如首攻♦或在莊家飛♥時,北能忍讓一副,莊家將難以完成定約.

In the 4S contract, South led CQ, declarer finessed SQ, then a second trump to hand, HJ now losing to north who attacked in Diamonds, dummy ruffed and a Heart back to hand, a Club to dummy, HA HQ discarding Diamonds, making 11 tricks. In this hand there was a cold slam in Clubs yet nobody reached it and in 3 tables, game was not even bid. Obviously certain hands are difficult to handle even for experts. In defending 4S, if there was a Diamond lead or ducking the HJ, declarer would have a hard time making the contract.

Both teams played in 4H by South, the key play was how to lose only one Heart trick. Kokish of Canada played small Heart to the ace, then Q down one. His play wins when East holds singleton K or any 4 cards. Rodwell of USA played small Heart to the Q, returned to hand with SA and played H6 and small from dummy when West played low (safety play). this play loses only with East holding singleton HK. * Not Alerted

Result: 4♥X made 10 tricks.

Facts: 3♣ Bid was not alerted. When East asked for an explanation of 3♣ (prior to his pass of 4♥X), North explained as (1) Feature in ♣, (2) Just forcing, could be anything.

East alleged that he had been damaged by the misinformation given by North, or else a bid of 5♣ by East would be quite automatic.

Tournament Results

North contended that he did not alert 3♣ bid because he had no agreement with his first time partner on this sequence. He didn't think he should alert anything he could not explain.

Director's Ruling : Director ruled that as there was no written evidence on the questions and answers asked, the misinformation is established as North only provided vague terms. However, East should demand a clear explanation preferably on written form and summoned the Director immediately. The result (+590 to NS) should therefore stand as the result was not substantially influenced by the infraction.

NS was awarded a procedural penalty of -0.5 VP for not following P.6 section 6.5 on the WBF condition of contest.

East appealed, stating that had North not explained the 3♣ bid as showing features in ♣, he would bid 5♣. Furthermore the other explanation (just forcing, could be anything) on the 3♣ bid was only made when East was in the process of pulling out the final 'Pass' card.

Committee Decision : The majority of committee is in favour of upholding the Director's ruling, the deposit to be refunded.

There are two issues the Committee try to decide, namely

- 1) Is there an infraction by NS
- 2) If the answer to (1) is yes, is this infraction a cause of damage.

There are different views as to the first issue, one view is that a cue bid (in this case 3♣) under this situation is likely to be nothing other than a forcing bid. Unless it is a convention bid with pre-agreed special meaning, it does not have to be (and possibly cannot be) explained in detail. Requiring this kind of bids to be explained in detail is both unreasonable and ridiculous, especially for Trials.

Another view being that North should alert in any case as it is clearing an 'unassuming cue-bid'. The panel decided in favour of the latter view.

The decision on the second issue is unanimous. The bidding sequence has clearly suggested that East should have taken out the double to 5♣ (West did double 3♣), hence irrespective of what the explanation was, that is not a cause for the damage. One stronger view being that by leaving in the double and subsequently calling the Director was clearly trying to take unfair advantage of the opponents.
