1. Minutes of the Last Meeting was read and adopted. ACTION
2. Matters arising from minutes of the last meeting
 - a. Nancy Neumann has found a sponsor for Shanghai/Hong Kong interport. AC will contact Shanghai Contract Bridge Association when they reach a detail agreement. AC
 - b. Nearly 3/5 of members has claimed their prize points and AL will continue to distribute. AL
 - c. SB would plan the necessary step to make required for the association to be an affiliation member of the Sports Federation and Olympic Committee. SB
3. Progress
 - a. PABF Congress 2000
AL will be the HK delegate if he finds a team to go. AL
 - b. WBF Team Olympiad Trials
 - 6 open teams
 - 1 women team
 - 5 university teams

the selection trial will be completed in May.
The council accepts the women's team of Amy Yeung, Monica Chan, Ella Graca, Irene Ho, Shirley Leong and Christine Booth to represent Hong Kong BK

SB will notify Amy Yeung to propose a NPC and the training schedule by the next meeting SB
 - c. Cyberwall HK SAR Inter-city Bridge Championships 2000
SB has signed the contract with Hotel Miramar and the details will be reported during the intercity organization committee meeting.
 - d. The physical check of equipment can't be started until the end of May, as TB are not available now and may need the assist of member to check the bidding box.

PP has made an agreement with Irene Ho that the association will purchase all 4000 decks of card within this 2 years.

e. Membership: 183 ordinary member (including student member)
87 life member

Attendance average: 14-15 tables/tournament
Finance: AL will report in the next meeting.

4. WBF re-zoning
AC explained the WBF's rezoning plan, merging zone 4's/ Asian and middle East NCBO's with zone 6 and moving Singapore, Malaysia and Indonesia to Zone 7.
Based on the financial burden that would have placed on us and the uneven proportion of budge population vs NCBO's. The delegate was instructed to vote as such in the PABF delegates meeting.
5. Convention card Procedures
Effective from 1st June, all member must have convention cards during every tournament and the new convention card regulations will be effective. This will be posted on the web and also distributed during the Tournaments.
6. HKCBA web site virtual hosting and management of e-mail addresses.
HKCBA web site will use web site virtual hosting within the budget. DC will check and confirm the cost spent per month, and management of e-mail addresses. DC
7. HKCBA Budget
HKCBA Budget will be reported during the next meeting.
8. A.O.B
 - a. A complaint letter from a player who have joined the tournament organized by JSBA. JSBA is not affiliated to HKCBA. AC will reply to JSBA about the matter. AC
SB suggested the bridge club of HK universities should have a link with HKCBA and aid them when they held tournament. DC will arrange this issue. DC
 - b. SB suggests once the playing team has won the trial and withdrawal without sufficient reasons, a penalty will be received that is prohibited to represent HK for 1 Year.
The council members suggested to defer such decision., seeking opinions from the members.
 - c. DC reported that Cheung Lik's team apologize for the withdrawal of participating in the PABC 2000 and will write an apology letter.
 - d. Bob's column in SCMP will be discontinued at the end of April. It is suggested that AC writes a letter to the editor hoping that some local bridge contents be available in the SCMP, especially for the benefits of the youth.
 - e. SB reported that the Youth Development Council wants to have a web link with us and this issue is accepted. AC

6. Date of Next Meeting

The date of the next meeting would be 8th May, 2000.
There being no other business and the meeting was adjourned at 9:30p.m.

MINUTES OF THE 3rd COUNCIL MEETING FOR 2000

Present : Anthony Ching (Chairman) S. S. Bux
Benjamin Kwok Ashley Lung
Robert Zajac Bell Tam
Daniel Chui Laurance Lo
Peter Poon Kitty Chow

Absent with apologies: Stephen Kwok Chan Yiu

- 1. Minutes of the Last Meeting was read and adopted. **ACTION**
- 2. Matters arising from minutes of the last meeting
 - a. Concerning the sponsor for Shanghai/Hong Kong interport. SK will contact Nancy Neumann for the detail when she comes back to Hong Kong. **SK**
 - b. Nearly 2/3 of members has claimed their prize points with the total amount of \$24,405 and AL will continue to distribute. **AL**
 - c. SB will follow up matters related to the association's affiliation with the Sports Federation and Olympic Committee, Which is still in progress and SB will continue to follow up this issue. **SB**
 - d. DC suggested that the association should seek affiliation of the Joint University Committee to establish a link with the universities and follow up with that issue. **DC**
- 3. Progress
 - a. PABC 2000
AL cannot be the HK delegate due to personal reasons and AC will vote on behalf of Hong Kong this year. AL suggests BK should write a letter to formally register our position on the rezone issue.
AC asks for the opinion of the committee about the host country of the PABF 2001, all committee members agree to support Manila or Singapore. **BK**
 - b. 11th World Bridge Olympiad in Masstricht.
Women team: the training schedule will be available on the coming Friday and it is in the progress of selecting NPC.
University team: the trial has been finished the current result is Percy Wong's Team with 4 IMP more against Eric Tang's Team, but there is 1 appeal case left and the final result will depend on the result of this appeal. The final result will come out soon.

Open team: the trial is still performing, up to the second round robin, Derek Zen's Team with 31 IMP Carry-over against Bell Tam's Team. During the second round robin, Nancy Neumann's team has 2 illegal players, and SB will ask Nancy Neumann for the explanation of this event.

SB

It is suggested that the university team has the right to suggest the NPC and the committee makes the final decision.
Robert Zajac suggested that he could be the NPC if there is a sponsor for the youth team.

- c. Cyberwall Hong Kong Sar Inter-city Bridge Championships 2000.
 - 3-4 youth teams
 - 3 teams from Guaozhong and 1 of them is women team
 - totally \$123,000 sponsorship, which is excluding the sponsorship of the watch.
 - Lawrence Lau or Ringo Lee may be interested in purchasing the watch with cash to be realised as sponsorship.

AL suggested BK to write an invitation letter to the company donating the watch.

BK

- d. Financial situation, Membership and tournament attendance.
Financial situation: AL reported that there is around \$200,000 balanced in the association's account
Membership: 183 ordinary member (including student member)
87 life member

Tournament attendance in April: 9.2 teams/tournament
12.1 pairs/tournament

BK suggested that the committee should check the last year's attendance to find the reason of low attendance rate of the April tournament, in order to make improvement, seasonal comparison should be measured as well. SB will check the last year result and report in the next meeting.

SB

- e. Update on equipment.
 - Print score sheet event→in progress
 - One of the wooden screen was broken and SB will check the repair cost and take it to repair if the price is lower than \$500.
- f. Update on web hosting and the new homepage.
The committee agreed to use HK host 1-year planning as the web hosting of the association, which costs \$99/month and with the name registered as www.hkcba.org. DC will follow up this issue.

SB

DC

- 4. Gratuity for Mariner's Club Staff for the year 1999.
It is the habit of the association to pay tips to the Mariner's Club staff during Chinese New Year, but the association had not done so in the last year. A staff of Mariner's Club said that they have only received \$200 from the association. AL will confirm with Steve Wong on this issue within this week and will pay an extra \$1,000 to Mariner's Club Staff.

AL

5. A.O.B

- a. LL inquired the method of calculation of prize point of the trial and suggested a revision and review of the PP, GP, MP system.
- b. SB suggests that tournament start time should be changed to 7:00 p.m. and early comers have the chance to choose the seat. To be implemented in June.
- c. Problem occurred in Bauhinia Restaurant:
 - play cards are too old.
 - results were not available after the game.
- d. Bobby's column will be started in this week at SCMP.com.
- e. In order to reduce the cost of the Bridgzette, which is \$8,000 per issue, it is suggested to put Bridgzette on internet and look for other alternatives.
- f. A bridge cruise from Australia will be making a brief visit to Hong Kong and the visitors want to join us in our regular club games on 19th and 23rd May 2000 free of charge. They also would like to invite a maximum total of seven local teams to play at the Empire Hotel in Wanchai on May 20 and SB will arrange for the detail.

SB

第五屆世界頂尖個人橋牌賽

5th Generali World Masters

第5屆 Generali World Masters 在今年4月13到15日於希臘首都雅典舉行，像以往一樣，在有52人參加的男子組冠軍是意大利的 Antonio Sementa。成績為57.15。中國的楊立新 (Li Xin Yang) 以50.98 取得第18名。

有28位女士參加的女子組冠軍被法國的 Benedicte Cronier 奪得，成績是55.25。中國的孫茗以50.93的成績取得第12名。今年還增加了青年組比賽，參加者共20名，香港隊的 Kit Lai 以53.62較好的成績並列第3。

我們先來看 Sementa 失意的一副牌，南北方以3-3 王牌打2H，防守方要幫幾次忙，才能讓南打成(?) 也許南的叫牌使東無法準確算出南的牌型。但無論如何，這副牌東西的防守不能再差了，南能完成被加倍的2H還是有運氣吧!

This year's event was held from 13-15 April in Athens, Greece, as in the past 52 individual World Masters were invited, in the men's competition.

The champion was Italy's Antonio Sementa, 57.15%. China's Yang Lixin was 18th 50.98%. 28 ladies were in the women's, French Benedicte Cronier came 1st, 55.25%. China's Sun Ming was 12th, 50.93%. For the youth, there were 20 participants, Hong Kong Dicky Lai wai-kit was joint 3rd, 53.62%.

Let start with a bad hand for Sementa, N-S played in a 3-3 fit 2H(Dbl), flat hands, the defence had to help a lot to make it come true, possibly the hidding got East Sementa all tangled up, anyway, this was what happened.

2C (平均牌型的6分牌, 還要叫?)
Still fighting with 6 pts and flat hand!

實際出牌情況是: Trick by trick:

1. 首攻♥, 東♥K得. A heart was led, won by East's K.
2. 回攻♦7, 依次♦9, ♦J, ♦K. D7, 9, J, K.
3. 明手出將牌, 東跟♥5, 莊家♥J. Dummy played another trump, 5, J and 8.
4. 出♠6, 依次♠2, ♠J, ♠Q. Now S6, 2, J and Q.
- 5-7. 東回出♠, ♠10, ♠K, ♠A, 明手再出♠9, 再出最後一張♠, 莊家用♥Q將吃, 西墊♣3.
East somehow returned a Spade, 10, K and A, dummy now played 2 more Spades, South ruffing the last one with SQ, West discarding C3!
8. 出♣J, 西仍出小(?). CJ, West played small.
9. 出♣2, 用♣A得. C2, K, A, 5.
10. 明手出最後一張♥, 東上♥A, 這樣最後還要給莊家一墩♣.
Dummy now played the last Heart taken by East's A and eventually had to give a Club trick to declarer, his 8th.

莊家一共贏得2墩♠, 2墩♥(其中一墩將吃♠)一墩♦, 3墩♣, 這樣的防守你信嗎?坐東的是 Sementa (這次的冠軍) 莊家是大名鼎鼎的挪威選手 Helgemo

Altogether it was 2 Spades, 2 Hearts (Spade ruff actually), 1 Diamond and 3 Clubs. Declarer was the formicable Viking, Helgemo.

在另一桌波蘭選手 (Piotr Gawrys) 坐南叫牌如下:
In another table, Polish Piotr Gawrys was South, bidding:

W	N	E	S
1D	Dbl	Rdbl	-
-	1S	Dbl	1NT
Dbl	All Pass	-	-

Gawrys 最後得到2墩♠, 1墩♥, 1墩♦, 3墩♣(在打完♠及♥後, 送♦給西出牌), 得180分. 最後Gawrys名列第2.

Gawrys got 2 Spades, 1 Heart, 1 Diamond and 3 Clubs (West was throw in with Diamonds after Spades and Hearts stripped), plus 180 and came 2nd overall.

中國楊立新在下面這副牌, 由於莊家失誤得到好分數.

首攻♥2, 莊家將吃, 如這時先調一輪將, 已可完成定約. 但他先出♦9, 西出小, 明手墊♣, 被東將吃, 東出♥K, 莊家用小將吃, 被西超將吃, 一張♣到東, 再出♥, 提升將牌K而下一.

H2 was led, ruffed by declarer, had he drew 1 round of trump, he could have made the contract. Anyway, he tried D9, small from West, dummy discard Club and East ruffed and shot back Ha, declarer ruffed small, West over, then a Club to West's Ace and another Heart for the perfect defence and uppercut.

下面這副牌獲得亞軍的波蘭選手防守絕佳.
This was another good hand for the running-up.

首攻♠Q，莊家用A得，出♣4，♠J西從東的墊牌知道莊家只有1張♣，2張♠。於是第2墩用♣拿，再取♠K，然後用♦出手，莊家在拿完♦後，手中只剩♥AQ9，但他出♥9，因而只能取得9墩牌。只得到24比分中的4分。

SQ was led, declarer won A, C4 to dummy and Club back to J, Gawrus, frp, [artner's signal, knew declarer had only 2 Spades and 2 Clubs. So he took CA, cashed SK and exited with Diamond, Holding declarer to 9 tricks only and 4 out maximum 24 match-points.

在女子組中下面這副牌使得 Cronier 獲得第一，而美國的 Meyers 獲得亞軍。如果西未叫 2D 而東首攻除♦外的任一張牌，第一將是 Meyers。可見一墩牌在雙人賽中的重要。

This was the deciding hand that made Cronier 1st and Meyers of USA 2nd. Had East not led a Diamond, any other card would have reversed the position.

首攻♦。因而莊家只取得12墩，只得6分（24分滿分）。Cronier

得18分。因有3位莊家取得13墩，最後的結果第一名只比第二名多7分。

12 tricks got only 6 out of 24 matchpoints. The final difference was a mere 7 points between 1st and 2nd.

大家關心的孫茗，在下面這副牌中取得好分數。雖然不是她主打，而且對她在第二家爭叫加倍，也有不同的看法，但由於防守的錯誤才使得她的同伴做成合約。

Sum Ming of China also did well in this next hand with her fierce style of 2nd position doubling, defensive error also helped.

聯手只有22點，且是平均牌型，怎能完成3NT（？）且看莊家打牌：首攻♣A，東跟♣2不歡迎，這時無論轉攻♠或♦，都會擊敗定約。但他拔♠K，再出♣J，送一墩給莊家，不知西怎麼想的？同樣送一墩不如送♦，西拿了17分，對方叫到3無將，東大概無牌進手。第4墩莊家打♠A，再打小♠送到西手，這次是真正的投入（end-play）西只有♥和♦可出，無論出那一張，都幫莊家建立第9墩。

22 points and both 4-3-3-3s, a nightmare for 3NT? Well, West led CA, East discouraged with the 2, a switch now to Spade or Diamond would have killed the contract but she played CK and CJ next. Declarer now played SA and Spade ducked to West's K who was endplayed as Heart or Diamond exit would yield the 9th trick to declarer.

最後是一副青年組的牌例，在這副牌裡香港隊 Kit Lai 坐北叫到

6NT, 結果由於防守錯誤而獲得頂分. 如果是雙明手, 可以完成 7H. 但如南做莊, 首攻♠可以擊敗 6NT, 首攻♣3 只要忍讓一墩, 最後提取所有紅牌就擠到東家.

For the Senior event, Dicky Lai of Hong Kong did well in this next hand:

	♠Q842

(1) 2 Major (2) 1 Key card+♣ void

Final lead: ♣3 Declarer got 13 tricks. Defence error helped.

Another table:

W(Karamanlis)	N	E	S
	1D	2C	-
-	3C	-	4C
-	4H	-	6H
All Pass			

East led the ♣Q, and declarer won, discarding a spade, and cashed ♦Q. If he now cashes ♠A and then takes the top diamonds to discard a spade from dummy, he can cross ruff his way to thirteen tricks, but he slightly mistimed things by cashing the diamonds first so he now got 12 tricks +980.

To Bid or Not To Bid (Version Q)

David CC Ng

I have come across several interesting bidding considerations during the IMP tournament held on 13 April 1999 by HKCBA. In fact, this article has been written up immediately after the tournament. Nevertheless, I intend to hold up for two reasons. One is to wait until you guys forget the hands so that you can consider the problems in a neutral manner. The other is to wait until my partner leaving Hong Kong. Those hand are presented in the format of bidding problems which are as follows:-

Hand 1 Board 20 [Both Vul; West Dealer; IMP scoring]

West	North	East	South
Pass	Pass	Pass	?

As South, what will you bid after 3 passes ?

Your Hand is ♠Q54 ♥K ♦KQJ1073 ♣Q83

Hand 2 Board 19 [EW Vul; South Dealer; IMP Scoring]

West	North	East	South
Pass	(?)		Pass

As North, what will you bid in the third position at favorable vulnerability?

Your Hand is ♠KQ7 ♥AK32 ♦10872 ♣103

Hand 3 Board 4 [BOTH Vul; West Dealer; IMP Scoring]

West	North	East	South
Pass	Pass	Pass	1♦
Pass	?		

As North, what will you respond?

Your Hand is ♠KQ6 ♥32 ♦8732 ♣1032

Regarding Hand (3), assume you and your partner adopt Acoll system, i.e.

- i. Weak Notrump (12-14 HCP)
- ii. Acoll 2♦ (8+ playing tricks with ♦ as trumps)
- iii. Partner's bid of 1♦ guarantees 4+card ♦

Suggested Answers To Bidding Problems

In fact, there appears to have no perfect or standard solutions to the 3 problems presented. The purpose of this article is to share my personal bidding style with you guys and discuss the concepts behind the recommended bids.

Let's us start with Hand 1 which is reproduced for your easy reference:-

Problem 1 (1/3)

Hand 1 Board 20 [Both Vul; West Dealer; IMP scoring]

West	North	East	South
Pass	Pass	Pass	?

As South, what will you bid after 3 passes ?

The following are 5 possible bids for your consideration and the reasons behind:-

- (1) Pass. (no Ace and opponents are likely to hold Majors)
- (2) 1♦ (standard opening with 13 HCP and a good 6 card suit)
- (3) 2♦ (weak 6+card * ; at least 1 participant did choose this bid at the table)
- (4) 3♦ (attempt to buy the hand and shut out opponent's majors)
- (5) 1NT (Controlled Psychic ; try to buy the hand as cheap as possible)

Choice (1) to (4) has individual merits and downsides. My personal preference is 1NT.

Would you try to perceive what the bidding development will be after 1NT opening ?

Problem 1/(cont.2/3)

At the fourth position after 3 passes (both Vul), South opens 1NT North's likely responses are :-

- (a) Pass [1NT is likely be made as North bound to have 5+HCP]
- (b) 2♣ - Stayman [South rebids 2♦, if North rebids 2♥, South rebids 2♠; If North rebids 2NT/3NT, South passes]
- (c) 2♦ - Transfer 2♥ [South passes-happily]
- (d) 2♥- Transfer 2♠ [South accepts the transfer-happily. If North continues, simply prefers 3♠ or 4♠ as cheap as possible]
- (e) 3♣ - Preempt/Invite [South passes-happily]
- (f) 2♠/2NT -Transfer 3♣ [South accept the transfer -happily]
- (g) 3♦/♥/♠ - Invite [South passes-happily with ♦&♠, not so with ♥]
- (h) 3♦ - Transfer 3♥ [South passes- happily]
- (i) 3♥ - Transfer 3♠ [South accepts the transfer-happily]
- (j) 2NT/3NT [South passes or sign-off by bidding 3♦/4♦]
- (k) 4♦/♥ -Transfer 4♥/♠ [Unlikely as North fails to open weak 2 Majors]

From the above-listed responses, you can estimate the Loss vs Gain ratio for opening 1NT.

As a matter of fact, your partner (North) holds the following hand:-

North's Hand is ♠854 ♥A652 ♦A62 ♣K754

The reality is that North jump to 3NT after Stayman. The result is 3NT

-1 down undoubled

Facing the proper defence :- First Lead ♠ and ♠ return (-50 points). Yet it is North /South who have a happy ending because the average is 3♥ / 3♠ both made with +140 points for East/West.

You are cold for 2NT/ 3♦ with opponents cold for 3♥ / ♠ . However, 1NT has pre-empted the opponent from overcalling 1♠ . Bidding 1NT at such position is considered strategically superior because you are likely to gain at 8 out of 11 situations when partner's responses are predicted . [(a)-(k)]

Problem 1/(cont./3/3)

You may loss only if he jumps to 3NT. Even so, you are unlikely to be doubled by opponents also both of them are passed-hands.

Alternatively, your gain is substantial as opponents are deprived of the opportunity to locate their major fit. Since neither opponents has bid in first or third position indicating that they are unlikely to hold 6+card good major. Therefore, they are unlikely to overcall at 2 -Level with a passed hand partner and being vulnerable after your strong 1NT bid.

Conclusion

Recommended Bid :1NT

1NT is the bid recommended because it is a strategic bid at such a strategic position

- i. It gains in most cases. [see (a) - (k)]
- ii. Its loss is minimal because of the safety net [passed-hand opponents are unlikely to Double]

If judged by result, Pass is the winning bid for this board.

Additional Remarks

For those adopt weak no-trump opening, the bid of 1NT in such a position is almost 'mandatory' since partner is extremely unlikely to hamper your 'brilliant' bid by jumping to 3NT/4♥/4♠.

Let's us proceed to Hand 2 which is reproduced for your easy reference:-

Problem 2 (1/2)

Hand 3 Board 19 [EW Vul; South Dealer; IMP Scoring]

West	North	East	South
Pass	?		Pass

As North, what will you bid in the third position at favorable vulnerability'?

Your Hand is ♠K107 ♥AK32 ♦10872 ♣103

The likely responses are :

- (1) Pass [Natural, what else? Flat hand with only 10 HCP]
- (2) 1♥ [Light opening]
- (3) 1♠ [Semi-Psychic]
- (4) 1♦ [Light opening ; especially if the system adopted being 5 card Major]

Choice (3) is virtually out because the consequence for psychic 1♠ with this hand losses more than gain in the long run. [Nevertheless, there are merits for this bid. Those who are interested can just think along the line as what will be the likely responses from partner and /or opponents, then you may find the merits for this bid]

Here what I tend to discuss is the merits for opening 1♥ at such strategic position [third hand with favorable vulnerability] against its downsides.

The upside of bidding 1♥ being:-

- (i) Lead directing.
- (ii) Baring your opponent from reaching the optimum contract of 3NT in case ♥QJ are not in the hand of one opponent.
- (iii) Pre-emptive effect. e.g. The fourth hand is deprived of bidding minors at 1-Level and then jump to 2NT to show a strong balance hand.
- (iv) Out-bid your opponent entirely especially if they holds minor fit and you have major fit or under some circumstances, even if they have ♠ fit.

The downside of bidding 1♥ being that NS will occasionally suffer a loss of -300 points (=7 IMP) if doubled by opponents provided that EW has no 3NT contract and partner has no 5 card suit for escape. Nevertheless, the chance for opponent to double for penalty is very rare.

Problem 2 (2/2)

Further discussion in respect of (iv) : outbid your opponent entirely ----

Let us review the following bidding sequence:-

West	North	East	South
			Pass
Pass	1♥	Pass	2♥
Pass	Pass	?	

EW being vulnerable, it will be too venturesome for East to balance at that position, especially at IMP scoring. South may raise to 2♥ with only 3 card ♥ support. (Law of Total Tricks may not apply here). Besides, NS will be virtually immunized against opponent's penalty-double even if East holds a trump stack. His only choice is to pass quietly and sets your contract. Your

price is only -50 points for each under-tricks. Cheap !

Conclusion

Recommended Bid : 1♥.

Bidding 1♥ at 3rd position is a strategic bid no matter what kind of system you adopt. It gains more than it loses. It is even more tempting for me to open 1♥ at Match-point (Pairs) events because the gain is more substantial in the following two areas:-

- (1) Lead-Directing : Save up-tricks is extreme essential in pairs game.
- (2) Pre-emptive : Outbid the opponent in minors.

South can readily raise 1♥ to 2♥ even with 3 card support only. Such simple response will be virtually immunized from opponent's penalty-double. Besides, there is no need to pre-empt 3♥ with only 4 card ♥ support (Assume you adopt pre-emptive raise. You are likely to buy the contract at 2-Level.)

Additional Remarks

Some experts advocate the concept of Pre-Balance by West immediately after the bid of 2♥ by South as a remedy.

Recommendation : Adopt Reverse Drury or Drury or Two-way Drury so as to differentiate the major raise in case South has a maximum pass hand with 3+card ♥ fit.

Let's us proceed to Hand 3 which is reproduced for your easy reference:-

Problem 3 (1/3)

Hand 3 Board 4 [BOTH Vul; West Dealer; IMP Scoring]

West	North	East	South
Pass	Pass	Pass	1♦
Pass	?		

As North, what will you respond?

Your Hand is ♠KQ6 ♥32 ♦8732 ♣1032

Regarding Hand 3, assume you and your partner adopt Acoll system, i.e.

- a. Weak Notrump (12-14 HCP)
- b. Acoll 2♦ (8+ playing tricks with ♦ as trumps)
- c. Partner's bid of 1♦ guarantees 4+card ♦

The likely responses are :

- (1) Pass [Obligated to Bid? Flat with only 5 HCP and 1 distribution point]
- (2) 2♦ [Single raise ; have pre-emptive effect]
- (3) 3♦ [Pre-emptive raise ; book bid ? !! Reference : Tournament

Acol]

Please re-visit the bidding sequences indicated above. Note that both opponents are passed-hand.

Q.1 How many HCP is expected from partner ?

A.1 At least 15 HCP, more likely to be within the range 15-19(20) HCP.

Q.2 Assume your partner holds a balance hand, what is HCP ?

A.2 15-19 HCP since NS adopts Weak Notrump opening (12-14HCP)

Q.3 Will NS miss a game if North choose to pass ?

A.3 Very unlikely as South has denied 8+playing tricks by failing to open Acol 2♦. 5♦ is virtually out and 3NT is very remote.

Problem 3 (2/3)

Q.4 What is the purpose of Pre-emptive Bid ?

A.4 Robbing opponent's bidding space; preventing them from exchange information constructively so as to reduce their chance from reaching the optimum contract. There is no point to pre-empt if you can foresee that the opponents are unlikely to enter the bidding or your side holds the balance of strength.

After the above 4 Q & A, you can guess that my preferred answer is **PASS** by North.

My arguments for bidding **PASS** are:-

- (1) NS should hold the balance of strength. No need to pre-empt.
- (2) No game prospect. Bidding 2♦ just generates false hope for game.
- (3) Bidding 3♦ to pre-empts partner? not the passed-hand opponents.
- (4) Both opponents have passed. They are unlikely to hold 6+card suit in Major. Even if they do, it is unlikely for them to compete to 3-Level.

The slight downside of **PASS** are that in case either opponent possesses (55)+majors but with strength less than an opening hand, they can enter the auction by cue-bidding 2♦. Given that they can locate 9 card fit in major, they can compete up to 3-Level and NS has to buy the contract at 4-Level.

Besides, there is a slight chance of missing a remote 3NT.

The advantages of single-raise to 2♦ are that it prevents opponent from Cue-bidding in case they have (55)+ Majors and can reach a remote 3NT.

Its drawbacks are that partner assumes 6-9 HCP from you and may bid 2NT/3NT with no chance at all. Else, he may attempt to explore game in ♦.

The advantages of pre-emptive raise to 3♦ being that you secure your contract immediately. The passed-hand opponents are guaranteed to be shut out. The drawbacks are that such pre-emptive bid is not protected by the Law of Total Tricks as partner may possess 4 card ♦ only. Occasionally, West may hold a trump stack behind South and NS, being vulnerable, may suffer much if East balances with a take-out double and West passes for penalty. Besides, NS may play better in a 1NT /2NT contract.

Problem 3 (3/3)

Conclusion : Recommended Bid : Pass

Additional Remarks:-

1. I prefer to pre-empt 3♦ with ♦KQxxxx or even ♦KJxxxx to cater for 3NT but not Hand (3). At least such bid is protected by the Law of Total Tricks.
2. Playing Acol, North is safe to pass as partner fails to open Acol 2♦
On the contrary, North is obliged to respond if NS adopts Natural (4/5 card Major) because there is still game prospect.
3. One has to be familiar with the ramifications of the whole system before he can manipulate it.

Afterword

The above 3 examples illustrate bidding **CONCEPTS**, *NOT* bidding systems or conventions.

During the past 2 decades, I had read over 300 bridge books and magazines which cover virtually all bidding systems, conventions and specific bidding devices (e.g. Spiral Scan).

Familiar with all kinds of bidding systems and conventions, it seems that I was armed with a powerful machine gun with hundreds of bullets. However, I failed to find the trigger of the machine gun. As a result, Power Precision System, once deployed by David CC Ng, becomes Powder Precision.

Years ago, I have an opportunity to attend a bridge seminar conducted by Mr. Samuel Wan. That seminar focuses on a specific topic i.e. Pre-emptive Bidding. Sam talks about bidding concepts (Not system or convention). The bid differs at different positions and varies according to different vulnerabilities (NV vs. NV; Vul vs. Vul; Vul vs. Non-Vul; Non-Vul vs. Vul)

Thank You, Sam (hopes that he reads this article). Ultimately, I find the trigger of the bidding machine gun. i.e. the right concept. Now I have to overcome the hurdle- Learn how to pull the trigger.

今年的美國 Vanderbilt Cup U.S.A. Vanderbilt 2000

美國一年一度的重要賽事 Vanderbilt Cup 盃四強准決賽是：

Schwartz 隊勝 Cayne 隊 Nickell 隊勝 Wolff 隊

決賽 Nickell 隊取得冠軍。成員是：Freeman, Meckstroth, Rodwell, Soloway, Hamman。亞軍 Schwartz 隊，成員是：Zia, Levin, Weinstein, Rosenberg, Casen。

Vanderbilt is U.S.A.'s one of the big fours, the results of this year's semi-final results were: Schwartz defeated Cayne; Nickell beat Wolff.

The winner were Nickell-Freeman; Meckstroth, Rodwell, Soloway-Hamman, a team certainly hard to beat since its formation.

Runners-up were Schwartz, Zia, Levin-Weinstein, Rosenberg, Casen.

下面介紹部份有參考價值的牌例。

I found the hands below worthy of discussions.

- (1) 這副牌符合 Roth 的約定精神(參看 Roth 所著 Picture Bidding 中無將部份) This hand is a typical of Roth's idea of positive bidding. (see his book Picture Bidding, the part on No-trump.)

首攻♥，東用 A 得後，出♦A，再出♦，莊家認為東有♦Q，用♦J 取得，最重要的是他認為東可以叫到 3H，必是有牌型，所以打♠3-1

分配，在第二次出♠時，用♠J飛過，完成定約。

A Heart was led, East took Ace and return ♦A then D2, declarer played Jack, winning. He paused and concluded East's vulnerable 3H call was based on distribution probably a singleton which couldn't be Club or one would have been led, he thus finessed Spades on its 2nd round play, making the contract.

下面這副牌叫到3NT，由南主打，首攻♠×，明手墊♦3，東出♠J，南用♠Q得。In the next hand, a small Spade was led, dummy discarded D3, East played Jack and South took the trick with SQ.

南出♣到明手的10，東用♣A得，回出♠，莊家用♠A得，再出♣，西出♣Q，莊家忍讓，因而有3墩♣，其它花色各為2墩，完成定約。

Declarer then played a Club to dummy's 10, taken by East's Ace for a Spade return, Brogeland won Ace for another Club play, ducking in dummy when Q appeared on his left, this 3 Clubs and 2 tricks from other 3 suits.

(4) 決賽打64副牌，打完48副時，Schwartz隊領先25IMP。還有8副牌時，還領先20IMP。且看最後8副牌中的几副牌：

64 boards were played in the Final, Schwartz led by 25 IMPs at the half and only 20 ahead but a mere 8 boards to be played. Here is one of those last eights.

Soloway 坐南，在二家 Pass 後，我想多數人拿南家牌會 Pass，但他開叫 2H，使得東西停在 4C，叫牌進程如下：

Soloway was South, after 2 passes, he opened 2H instead of passing, this had the effect of 'stopping' Zia-Rosenberg at 4C, the bidding:

Zia 的 3NT 是很精確的叫品，之前已叫 3H，表示無擋，現在叫 3NT，表示只要 Partner 有 10××之類都可以 Pass 3NT。另一桌叫到 3NT，由北首攻，因南未叫牌怎能想到出♥，當然首攻長套♦，於是莊家 10 墩牌到手，最後得冠軍是不是很幸運，再看下一副牌：

Note this world-class pair's fine, delicate treatment of the hand: 3H was 3NT probe, denial, 3NT just about described QJ doubleton, then stopped in 'anchor' suit. The other room contracted in 3NT and made after North's natural lead. That may appear a 'lucky' hand for the champions, see the next one.....

首攻♥，莊家打完二輪♥，出♠，如南出小，就用♠K得，結果只

輸♠, ♦, ♣各一墩完成定約。東是 Rodwell 完成合約後只贏不輸啦。

另一桌東是 Rosenberg 叫牌如下：

A Heart was led, K and Ace, then Spades, contract made. East-West were Meckwell, who else.

Rosenberg sat East in the other room, bidding:

W	N	E	S

如從“點”數來看分數不夠，東不開叫無可厚非，但牌張分配理想，叫到就能打成。成了冠軍是不是幸運？

I would rather call this Meckwell 'jinx' than luck; it happened a lot of times and back-fired badly occasionally, the crux- they played the hands out thoroughly and better than the computers-they knew the human sides too.

6D 的叫品，使得 Zia 不能攻出最佳首攻♦，在♥和♣中挑選首攻，結果選了最差的首攻♣，連手 27 點，♣還不配居然打成 6S。如果首攻♥，情況大不一樣，結果無法預料。

Hamman's 6D bid prevented even Zia to make the best attack of Diamond lead, a Club was led and the contract rolled home. A Heart could be better lead but I'd bet Soloway could make it, alternatives were restricted.

首攻小♦，明手將吃，Hamman 做莊出♠A，再出♠9，Zia 墊牌次序是♠2，♠8，如果這時 Rosenberg 出♦，將贏得 Vanderbilt 盃。可惜他想像不到 Zia 有 4 張將牌，結果他回出♣，使這原本應下三的合約，又被 Hamman 完成。可見高手過招時，也出現不少錯誤，如果此合約叫到 6H，將是鐵牌一副。現在叫到錯誤的合約，又被幸運的完成，看來勢均力敵的二隊，運氣也是不可缺少呢。此外另一桌只叫到成局合約，所以 Nickell 隊以些微優勢贏得 Vanderbilt 盃。

Small Diamond was led, Hamman won, SA then S9, Zia West played S2 and S8. Had Rosenberg, after winning SK, returned a Diamond, they would have been this year's Vanderbilt owners! He could not imagine Zia having 4 trumps or Hamman-Soloway bidding so badly. Anyway he returned a Club and Hamman duly made his Fatigue or whatever, experts, do make mistakes, here, Hamman-Soloway chose to play in 6S when 6H was cold. 7-carder could not be expressed? And then Rosenberg trying a Club (ruff?) instead of a forcing Diamond, despite counting out declarer's hand having insufficient points. Well, all in all, that was Vanderbilt 2000. The other room stopped in a 'scientific' game only.

PABF CONGRESS 2000

今年5月下旬在印尼舉行第4屆PABF Congress，香港未派隊參加。只參加對式賽。香港Lawrence Lau - Patrick Choi獲東西組的第8名，進入PABF決賽。參加公開組隊式賽的22隊，其中印尼有14隊參加，日本3隊，其它新加坡，澳門，泰國，台北，中國湖北各一隊參加。女子組有7隊，青年組10隊，比賽結果印尼隊獲得這三個組的第一名，公開組第一名的印尼隊包括Lasut，Manoppo，Sacul在內的國家隊。第二名是日本國家隊。下面是印尼和日本隊決賽的部份牌例：

At the end of this May, Indonesia hosted the 4th PABF congress. H.K. did not have any team participating though Lawrence Lau -Patrick Choy played and came 8th in the EW direction and got into the Pairs Final.

In the women's, 7 teams took part and 10 entered the Youth. The Indonesian teams won all 3 titles. In the Open competition, the Champion Team consisted of the perennials Lasut, Manoppo, Sacul, 2nd were the Japan National Team, here are some hands from the finals between these teams.

雙方都由南家作莊主打3NT。日本隊做莊時，印尼首攻♥8，♥10♥J。♥K。莊家出♠，直到第3副♠，西才用♠A取得，換出♣3，莊家只有8副牌。

印尼隊做莊時，首攻♣Q，莊家連出三副♣，西家進手後攻出♥8，相繼跟牌為♥10，♥J。♥K。這時莊家改出♠，由明手♠K得，再由明手出小♠，手上放♠J，西用♠A得。接着提取♣，這是嚴重錯誤的一步，使莊家有♦A及♦K作為回“橋”。共提取3墩♣，3墩♠，2墩

♦，1墩♥，完成合約。其實很明顯和很簡單的是，莊家如有♦K，又有♦Q，已經有9墩牌，故在♠A進手後，只要出♦，無論莊家用那一邊進手，當♣再進手時，再出♦，則莊家已斷橋，只有8墩牌，即如取3墩♣，只有2墩♠，如要取3墩♠，只有2墩♣。在高水平比賽中，由防守錯誤造成的輸贏並不多見。

Both Souths were declaring 3NT.

Against Indonesia, Japan attacked with CQ lead, declarer replied with 2 more rounds of the suit. West won the 3rd round, switched to H8, 10, J and K. Declarer now played on Spades, 8 to dummy's K and a small one to hand's J. West won Ace, cashed erroneously his good Club, enabling declarer to have 3 Clubs, 3 Spades, 1 Heart and 2 Diamonds. He should have know that, had declarer DK and the Q, he would have 9 tricks already, so, once coming in with SA, he should have attacked Diamonds and when in again with Clubs, attack the same suit again, cutting off the communications and reducing declarer to either 2 Spades and 3 Clubs or 3 Spades and 2 Clubs but not 3 in both.

Result: 2♦ by North down 1.

Facts: Screen was used. The director was called after the play was completed. N alerted E that 2♦ is a transfer to♥. S did not alert W. E claimed misinformation and said if 2♦ was natural he would bid 4♠. The director ruled that 4♠ made. NS appealed. The Chief TD overruled the director based on incorrect timing of E's summoning the director. He should have call after the auction as he knew there was an irregularity. Also the Chief TD has inspected the NS convention card that they played system ON after NT overcalls, therefore it was a misbid by S rather than misinformation by N.

Law References: Laws 9B1a, 9B2 and 11A.

Supplementary statement by players: South's 1NT overcall after double and redouble should not be the same as normal 1NT overcall as stated by N which is same as the one in their convention card. Therefore N's explanation of 2♦ is a misinformation provided to E. Under this condition E will bid 4♠ directly when the screen is not used that 2♦ is not a transfer. E has not summoned the director when the auction is finished because this will convey information to W that 2♦ by N is a transfer. The line of defense of the board will be different. Therefore director is summoned when the play of board is ended.

Appeal Committee Decision: It is unanimous decision of the Appeals Committee that the damage of this hand was caused solely by EW's failure to take action over the 2♦ bid and the error in defending the hand. This took into account that the 2♦ bid may or may not be a transfer, as this auction is unlikely to be covered in the convention card. The committee unanimous decided that the director's ruling, i.e. 2♦ by N -1, should stand. Deposit to be returned.
