(When screens are in use you place the **ALERT** card in front of your screemate when either you or your partner makes an alertable call). It is the responsibility of the alerting player to alert clearly. No explanation of the meaning of the alertable call should be made unless requested by an opponent.

Teams play according to the schedule. The first named team will be the Home Team and the other the Visiting Team. The Home Team sits NS in the Open Room and EW in the Closed Room. The captains must complete the Line-up 5 minutes before starting time and hand it to the Tournament Director.

Any team failing to observe the above and causing a delay of the match will be subject to **Late Start** penalties.
