## **VAYA CONDIOS**

This evening we have finished our bridge game, hundred of trophies will be distributed, but we will never finish our friendship in bridge. During the game at the table we are big enemies, always put you enemies in high pressure, but after the game, we all are friends even we feel like we are the big family.

Remember we come to the Hong Kong for the HK Intercity because we want to meet bridge friends, to play a good bridge game, to enjoy our excellent food and to take the beautiful trophy. Much appreciates to all my friends in HKCBA, especially Mr. Anthony Ching which trust and invite me as the Bulletin Editor. Thanks to all Directors, caddies, monitors and all the bulletin staff, without your help we never get our bulletin as fast as we want.

Tomorrow we will be back to our normal life, why? Because playing bridge like this tournament, you always forget what day or date is today?

For the participants out from Hong Kong, have a nice trip back home, remember make a plan to come to see all your bridge friends here next year.

VAYA CONDIOS, hope I will see you again next Year and remember always:

**WE ARE A BIG AND A HAPPY FAMILY**

**Munawar Sawirudin,  
your editor**
